

Department of Computer Application

Faculty Achievement (2025-26)

Name : Dr. Chhinder Kaur and Dr. Chamkaur Singh

Detail about Achievement:

They have published and granted the patent titled “AI-POWERED CHATBOT DEVICE FOR HANDLING HUMAN INQUIRIES” on 25/02/26.

Department of Computer Application

Faculty Achievement (2025-26)

Name : Dr. Puneet Kaur

Detail about Achievement: She has published a paper titled Evaluating the Recognition of Sentiments in Text on Social Media Utilizing Machine Learning- SCI publication
And also won “Achievers' Award” on Teacher’s Day on 9/5/2025 in CGC Landran.

Department of Computer Application

Faculty Achievement (2025-26)

Name : Mr. Rajinder Kumar

Detail about Achievement: He has published a paper titled “Hybrid Beluga Whale–Coati Optimization Framework for Robust Feature Selection in Software Fault Prediction” in “International Journal of Performability Engineering” SCOPUS, on 5th May, 2026.

And also achieve “Best teacher Award” on Teacher’s Day on 9/5/2025 in CGC Landran.

Department of Computer Application

Faculty Achievement (2025-26)

Name : Mr. Navneet Katoch

Detail about Achievement: He has published a paper titled “A CNN–GRU Synergistic Framework for Intelligent Waste Classification in Smart Urban Environments” in “2025 International Conference on Decision Aid Sciences and Applications (DASA)” on 6th May 2026.

Department of Computer Application

Faculty Achievement (2025-26)

Name : Ms. Ruchika Aggarwal

Detail about Achievement: She has published a paper titled “Machine Learning Approaches in Software Fault Prediction: A Review” in “Cureus Journal of Computer Science” Springer Nature, on 28th January, 2026.
