Department of Computer Applications

Details of Research Papers (2024-25)

Sr No	Author/s Name	Title of Research Paper	Name of Journal
1	Dr. Puneet Kaur	Evaluating the Recognition of Sentiments in Text on Social Media Utilizing Machine Learning	Journal of Circuits, System & Computer
2	Dr. Puneet Kaur	Social Media Usage and its Implications on Mental Health a Review	Journal of Computer Science
3	Dr. Chhinder Kaur	Women Entrepreneurs: Challenges, Digital Support, and Policy Interventions	Juni Khyat
4	Dr. Chhinder Kaur	The relative review of machine learning in Natural language processing(NLP)	International Journal of Scientific Research in Computer Science, Engineering and Information Technology
5	Dr. Chhinder Kaur	A Survey On Women Polycystic Ovary Syndrome And Polycystic Ovarian Disease	Juni Khyat
6	Dr. Chhinder Kaur	Machine Learning for Mental Health: Assessing Teen Depression and Anxiety Risk Factors	Cureus Journal of Computer Science (Part of Springer Nature)
7	Ms. Samrity	CYBER SECURITY: STUDY ON ATTACK, THREAT, VULNERABILITY	Internation Journal of modenization in engineering and technology
8	Ms. Samrity	A MACHINE LEARNING-BASED DIABETES DISEASE PREDICTION SYSTEM	Internation Journal of modenization in engineering and technology
9	Ms. Samrity	IOT Innovations for Enhanced Agricultural Practices and Sustainable Farming	IEEE
10	Ms.Samrity	AI-ENHANCED CYBERSECURITY: THREAT DETECTION USING MACHINE LEARNING	Internation Journal of modenization in engineering and technology
11	Ms.Samrity	CYBERSECURITY THREATS IN THE INTERNET OF THINGS (IOT)	IEEE
12	Ms.Samrity	AI and the Future of Work	International Journal of Innovative Science and research Technology
